Supplies

Unfinished Wood Frame, 12x12
Patterned Paper
Galvanized Tin Tile, 12x12
Clear Calendar Sheet, 12x12
Magnets, 3/4"
Names of recipe dishes printed on paper
(See next page)
Acrylic paint
E6000 Glue

Directions

1. Paint your frame in the color of your choice.
2. Cover inside of your wood frame with E6000 glue.
3. Insert 12 x 12 tin sheet. Let dry.
4. Cover your tin sheet with clear glue and cover with your patterned paper. Let dry.
5. Glue edges of backside of calendar page with clear glue and place in frame. Let dry. Trim if necessary.
6. Cut out your dinner menus. (Make sure they fit in squares.) Mount to squares of patterned papers. (You can laminate or cover with clear contact paper if desired.)
7. Adhere your magnets to back of menu squares.
8. Do the same for your calendar months.
9. ENJOY creating new menus each month!
