

## Dream Canvas Wall Décor

### Supplies

- 12 x 12 Thin Canvas
- Letters to spell dream
- Fabric Fat Quarters
- Quilt Batting
- Spray Adhesive
- Embellishments for Letters
- Staple Gun & Iron

### Directions

1. Cut quilt batting into 12x12 square and place on top of the canvas. Spray adhesive may be used on the canvas to hold everything in place.
2. Cut fat quarters into 16x16 squares and place on top of the quilt batting with printed side facing up. Spray adhesive may be used to hold everything in place.
3. Smooth fabric with your hands. If your fabric has fold creases in it you might want to iron them before you start this project.
4. Flip the canvas over and staple the edges of the fabric on the backside of the canvas to secure.
5. Embellish your letters as desired. They can also be painted or covered with paper to match your décor.
6. Place letters on the front of your canvas and attach from the back with the staple gun.
