

## Christmas Collage Plate

### Supplies:

- Metal Distressed Plate
- Ribbon
- Patterned Paper
- Stickers
- Mod Podge®
- Foam Brush
- E6000® Glue

### Directions:

1. Cut or rip the patterned paper into pieces that fit the inside of that plate
2. Use the Mod Podge® to glue down the paper collage
3. Once dry put any of the stickers on
4. Use the Mod Podge® to seal the stickers
5. Use the E6000® glue to glue on the ribbon tied into a bow
