

## Minkee Cuddle Soft Chevron

### Supplies:

- 2 Background Fabric
- 2 1/4 Chevron Fabric
- 1/3 Binding
- 2 5/8 Backing

### Directions:

#### Background:

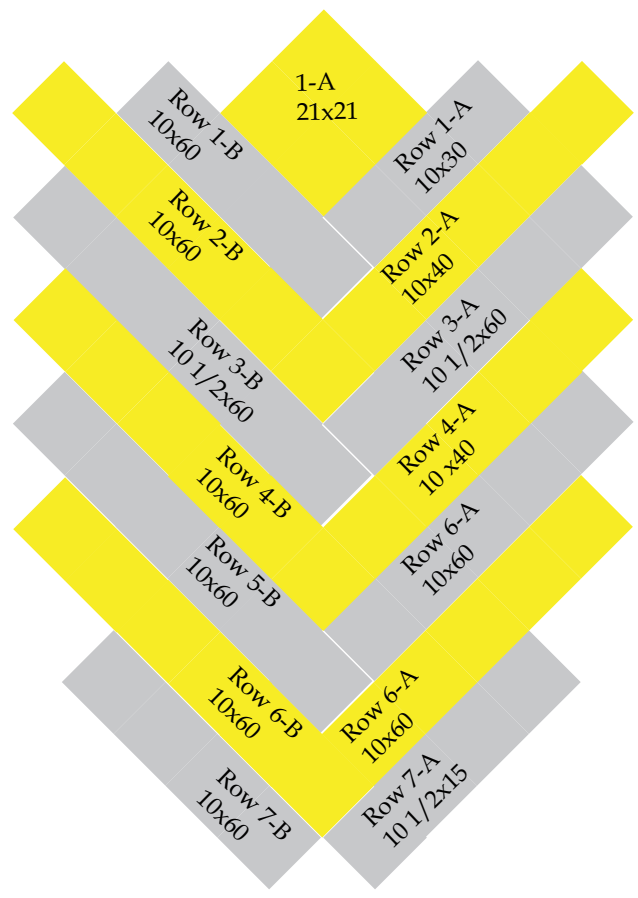

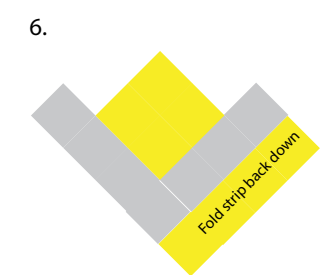

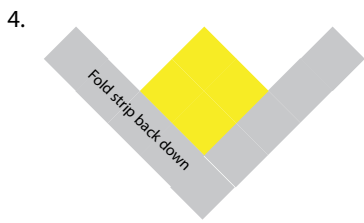

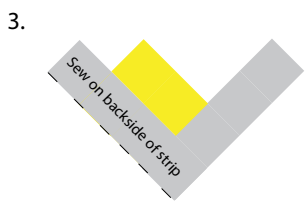

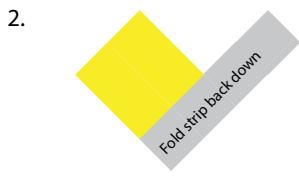

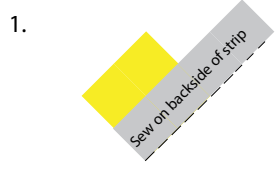

- Cut a 20" strip then cut a 20" x 20" square from that strip.
- Cut the remaining 20" into 10" x 40".
- Cut the remaining fabric into 10" x 60" strips. You should have two 10" x 40" strips and five 10" x 60" strips.

#### Chevron:

- Cut the chevron fabric into eight 10" x 60" strips.
- Cut one strip of the chevron fabric into two 10" x 30" strips (Tip: These will be used for Row 1.)

#### Quilt:

1. Spread out the backing fabric. Using the 505 spray place the batting onto the backing fabric.
2. Trim the batting so that it is the same size as the backing, pinning the sides so that the fabric does not move.
3. Draw a straight line on top of the batting/back fabric 1" down.
4. Measure in 14" from the right side and place the square on the line you just made. Spray flat and pin down.
5. Take Row 1, the 10" x 30" chevron fabric strip, and place it on top of the square then align the edges. Pin the edges down.
6. Start in the center and sew using 1/4" - 3/8" seam flip, spray, and pin.
7. Take one chevron fabric strip and place it on the left side of the square.
8. Start in the center and sew using 1/4" - 3/8" seam flip, spray, and pin.
9. Take Row 1-B the 10" x 40" of the background fabric and place on the chevron fabric, aligning the edges.
10. Repeat steps 5-9 until the quilt is completed. To cover the bottom corners, use the extra fabric from Row 3 and 5.
11. Trim the bottom of your quilt at the point of row 6.

**Sewing the Quilt:**

This quilt is constructed with the “sew and flip” method. This means that the strips are sewn onto a foundation, then the strips are flipped down and the next strip is sewn on.

Steps 1, 3, and 5 display the strips being sewn onto the square.

Steps 2, 4, and 6 show the strips being flipped down after they have been sewn.
